LET'S GET TALKING!

It's the perfect season to pause and reflect on your family's favorite moments and memories – from 2017, from the past month, or even from today. Grab a cup of hot cocoa and gather 'round the fireplace! We've put together a collection of questions designed to guide your family on a reflection journey. Once everyone has taken a turn sharing their answers, use your favorite responses to create a newsletter you can share with friends and family to update them on your adventures together.
